10 years of SWAPPING & GROWING LOCAL SEEDS

What is Seedy Saturday?

We are a local event that offers growers at all stages and ages the chance to share their own seeds, exchange tips and experiences, browse local products and get involved in community activities. Every year there's lots to see and do with something for all the family.

Alongside the community seed swap, this 10th anniversary event has more stalls than ever selling seeds and potatoes, spring bulbs, fruit bushes and trees, cottage perennials, herbs, homemade produce, local crafts, plant-based products and gifts. Plus, there are candle-making workshops for kids of all ages, expert talks and tasty treats from the kitchen café.

By growing, saving and swapping seeds, you can help to keep some wonderful old varieties alive, conserve biodiversity and create locally adapted varieties.

So come and 'Get Seedy!' Bring your seeds, family & friends, and let's have fun swapping, sharing, growing & learning.
